# BOOKS BY MAIL

The Garland County Library's **Books by Mail Service** provides books and other library materials to homebound people of all ages who live in Garland County.

Books by Mail is only for individuals who are unable to visit the library because of temporary or permanent disability. An application must be filled out and signed by a physician, nurse, or social worker who can verify that you are disabled and cannot make regular visits to the library.

**Patrons aged 80 or over are exempt from having to provide this signature.**

Once your registration is complete, you will be assigned a library staff member either to choose items for you according to the preferences you mark on the application form or to send out items you request specifically.

Library materials will be sent in a reusable bag through the US Postal Service, return postage paid. Items to be returned should be returned in the same bag and deposited in a mail box or given to a postal carrier. The address card should be reversed so that the library's address is visible.

To learn more or sign up for the Books by Mail Program,
